

CKMNSS SENIOR SECONDARY SCHOOL, CHALAKUDY

Preparations for Reopening (Grade KG - VIII)

The following measures will be taken in the school before the Reopening of school for Grade KG- VIII.

1. Physical

- Regular sanitization of school premises, classrooms, bathrooms and school buses.
- Footprint stickers, covid 19 awareness stickers, to be pasted to ensure social distancing.
- Entrance and dispersal of student in grade wise, using different exist points.
- The classrooms equipped with sanitizers and covid protocol instructions
- Intervals with a staggering timeline. i.e. no clash between interval of 2 class.
- Regular sanitization of Labs after use by every batch.
- Regular santization of bathrooms after every interval. Bathrooms equipped with handwash and sanitizers at strategic location.
- Children exhorted to bring their own water and food items
- Sharing prohibited for time being.
- Trained staff nurse and equipped infirmary.
- Regular checking by the PTWA and management officials.
- Strict monitoring of students in campus and during intervals.
- Furniture are arranged to maintain social distance.
- Encouraging parent pick up and drop.
- No school bus facility.

2. Psychological Support

- Orientation sessions by psychologist, different exercises and other activities to strengthen the mental wellbeing of students. This will be conducted in offline mode.
- Counseling by counsellors and doctor.
- Awareness class about covid19 precautions and preventions.
- Regular physical activities to enhance physical & psychological well being.

Following committees formed for safe Reopening:

- Staff Committees for School Reopening.
- Declaration by teachers ensuring Covid - 19 protocols in premises.
- PTWA Committees for regular checks.
- Health Committees for monitoring ground situation.

Please note this is already in place in school as class has commenced for Grade IX - XII.

Parental support & cooperation is vital for Reopening. Help us to help you.
