

C.K.M.N.S.S SENIOR SECONDARY SCHOOL, CHALAKUDY**01.03.2022**

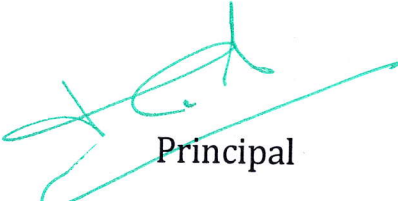

Dear Parent,

The offline class must be an occasion for students to understand the working of a school in terms of discipline, values and of course instilling a love for it. To let that happen the students must strictly adhere to the following.

- Students come neatly dressed, preferably in school uniforms (Red T Shirt, wednesday uniform)
- Students are expected to reach school by 8.45 am.
- Parent will leave the premises immediately after dropping their wards at school.
- The students are to be picked up at 12.30 pm
- Student would be found waiting in the bus shed along with their class teacher.
- Please exercise patience while picking up your ward. Take the consent of the class teacher.
- Students will not be allowed to share their water bottle or snacks. We have a short recess only. Restrict snack to biscuit or something light.
- Children should have their breakfast before coming to school.
- Wearing a mask is compulsory. Teach your child never to take off the mask. We will be strictly monitoring them.
- Bring books as per timetable.
- Do not send your child to school if unwell.

We need your support to help our children to school.

Thank you

Principal
